

Oil and Gas Equipment and Services Commercial Service Trade Mission

*Malaysia · Singapore · Vietnam
December 6-13, 2004*

Meet your match in Southeast Asia. Join the U.S. Department of Commerce's Oil and Gas Equipment and Services Trade Mission to Kuala Lumpur, Malaysia; Singapore; and Hanoi, Vietnam, December 6-14, 2004, and meet prospective distributors, agents, and strategic business partners.

Prospects are excellent for American firms – especially suppliers of pipeline and tubular goods, drilling machinery and equipment, surveying technology, and safety products:

- **Malaysia** offers a growing \$575 million oil and gas market, with vast areas ripe for exploration. More than 60% of imported equipment comes from the U.S.
- **Singapore**, the world's third largest oil refining and trading center, will open more doors to U.S. firms with the U.S.-Singapore Free Trade Agreement.
- **Vietnam** will require a \$19-\$20 billion investment by 2010 to sustain the 10%-15% annual growth in its oil and gas industry projected for this period.

Pre-screened meetings – and more:

- One-on-one appointments with top-quality contacts
- Logistical support
- Market briefings
- Follow-up assistance when you return
